KNOW MORE ABOUT US

Menstrual days bring many challenges for women in India. From adolescence to adulthood, a woman's role evolves—balancing responsibilities as a daughter, homemaker, and caregiver.

We are committed to offering long-lasting, high-absorption sanitary pads that are truly eco-friendly, supporting the well-being of both homemakers and working women across India.

Our platform, **Dhanlaxmi**, empowers women by developing entrepreneurial skills and creating opportunities for financial independence for millions of families.

VISION

To inspire a global community to embrace Ayurveda's timeless wisdom, promoting holistic health and financial empowerment. We strive to provide natural, sustainable wellness solutions while enabling personal and financial growth. Our goal is to create a world where people thrive in balance and prosperity through Ayurveda and entrepreneurship.

MISSION

Our mission is to empower people of all genders to live healthier, balanced lives through holistic wellness and financial opportunities. With wellness programs, natural products, and income-generating platforms, we aim to build a supportive community that nurtures body, mind, and spirit—unlocking entrepreneurial potential and inspiring self-care, vitality, and financial freedom.
